

This Week in First Grade
Week 8
Mrs. McCabe Rm. 26

Book Fair is Tuesday!!
Reading/Writing/Spelling

This week we read the story I Went Walking. We learned new vocabulary words and used them in sentences. We practiced rhyming and adding -ed and -ing to words such as walk and play.

We learned the difference between nouns and verbs this week in writing and practiced sorting them. We also made sentences from the words we sorted.

Math

This week in math we learned new games called "Towers of Ten" and "Counters in a Cup". Both of these games helped us with our addition skills. We worked on finding ways to make 10, 7, etc. The students are doing a great job with this difficult concept!

Fun Friday!

This week for Fun Friday we played with ice! We started with different sizes of cubes and observed how long it took for each to melt. We also looked at ice that took the shape of different containers to see the effects on them melting. We ended our exploring by making ice castles with friends. We used salt to make the ice melt so that new cubes could be added to the castle. What a great way to end our warm weather week!

Next Week's Spelling Words

get
out
we
are
in

-op family (ex. hop, top, mop)

PENCILS, PENCILS

Our class is in need of new pencils already! Any and all donations would be GREATLY appreciated!

Have a wonderful weekend!
